DETAILED ACTION

Allowable Subject Matter

1. Claims 2 – 20 are allowed.
2. The following is an examiner's statement of reasons for allowance: prior art of record does not teach, or suggest, the claimed elements pertaining to a semiconductor device, designing apparatus for generating layout data, or computer program for generating layout data that are used for mixed voltage designs; whereas the mixed voltage designs include standard cells arranged in a plurality of blocks, and voltage level converter cells arranged between the blocks, and having a plurality of appropriate power supply terminals that are aligned in a special way in the layout to achieve proper operation of the mixed voltage design.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
